⌨ BUG REPORT: Wins are counted as losses

in list To Do

☰ Description   Edit

Bug Description:
After winning a duel of Your Bot vs. the Computer Bot, the Wins count is not updated, and the Losses count is updated instead.

Steps to Reproduce:
- Go to: http://127.0.0.1:5500/public/index.html
- Click on "Draw"
- Click on "Add to Duo" on the robot with the highest health
- Click on "Add to Duo" on the new robot with the highest health
- Click on "Duel!"

Expected Result:
- If you win, the new Win should be added to the Wins count.

Actual Result:
- The Wins count is not updated, and the new Win is added as a Loss.

Environment:
- Chrome version: 105.0.5195.127 (Official Build) (64-bit)
- Windows 11
